Rocio del Mar and Quino el Guardian vessels are of the utmost seaworthiness and are approved by the U.S. Coast Guard and Mexican Coast Guard. Both vessels are equipped with state-of-the-art electronics and all required safety equipment.

Passenger safety is paramount and therefore the captain has the sole discretion to change, delay, return early or cancel the cruise if necessary. These reasons include but are not limited to bad weather, perils of the sea, acts of God, political incidents or force majeure.

Trip insurance is suggested as it provides you with reimbursement for unused, non-refundable, pre-paid trip costs if you are prevented from taking your trip due to a covered reason. All trip insurance is not the same so it is important to make sure that you purchase travel insurance that includes travel interruption.
